**President Roshdy El Sallab**  
**Egyptian Arthroscopy Association**

Dear President El Sallab,

On behalf of the ESSKA Board, I am pleased to confirm that the Egyptian Arthroscopy Association (EGAA) has been accepted as a Partner Society of ESSKA.

ESSKA is currently in the process of revising the guidelines regarding the details of such a partnership and we will send this to you once it is completed. We definitely look forward to cooperation between our societies in the future.

In the meantime, we have added EGAA to our website on the "Partner Societies" page, along with a link to your website, which you can see here: <http://www.esska.org/affiliates/partner-societies>. Would it be possible for you to do the same for ESSKA, linking back to our website ([www.esska.org](http://www.esska.org))?

The lead contact for ESSKA's partner societies is Mrs. Graham Woolwine ([woolwine.graham@esska.org](mailto:woolwine.graham@esska.org)) so if you have any questions, do not hesitate to contact her directly. She should be able to assist you regarding most matters.

Kind regards,

**Romain Seil**
